Att'n: Kay Galeotti,

This is what we have on hand at B&H on Players.
I'm sorry to say that we don't have very much
on John Player Special - as far as I recall, there
has been very little advertising on it in the last
few years - most of it was done in the mid '70's.

If I can be of any more help, please don't hesitate
to call.
